Shepherds College

Shepherds College is a fully accredited, three-year, post-secondary educational program for students with intellectual and/or developmental disabilities. Throughout the three year program, students are equipped to reach Appropriate Independence through the development of vocational, social and life skills. Appropriate Independence is defined as "supported self-sufficiency, aligned with individual strengths and guided by Christian values". Current occupational program options include technology, culinary arts and horticulture. The Student Life program includes three phases of on-campus residential environments; dorms, houses/halls and apartments. Upon completion of the program students receive an accredited certificate of completion in Technology, Culinary Arts or Horticulture.
