

STAGES: Successful Transition After Graduating for Exceptional Students ^[1]

University of South Florida - Tampa

STAGES is a partnership between the Hillsborough County Public Schools and University of South Florida's College of Education Department of Special Education. Training and support is provided to young adults with disabilities including opportunities to experience college life, explore career options, utilize public transportation, learn self-advocacy skills, interact with age-appropriate peers, and reach their potential as independent members of the community.

4202 E. Fowler Avenue, EDU105
Tampa, FL 33620
United States

Intellectual disability

Instructions:

In the form below is the information that is currently listed on our website for your program. Please click on each green tab, look over all fields and change any information that needs to be updated. There is no need to save after completing each tab, but you MUST click Save at either the top or bottom of this form after going through and making any necessary changes. You can save at any time and you may save and leave and return later to make additional changes or add new information. Green check marks will appear in the tabs on the left when you have filled out all questions in a section. Please make every attempt to answer all questions--but if you can't, the form will still save and we will use the information you can provide to create your updated record.

Program length::

2 years
