

MAICEI-Amherst ^[1]

University of Massachusetts Amherst

The Massachusetts Inclusive Concurrent Enrollment Initiative (MAICEI) Program provides high school students with significant disabilities the opportunity to have a college experience alongside their non-disabled peers. Participants are supported by the MAICEI program coordinator/advisor, education coaches, which are provided by the sending school districts, and student mentors. The overall goal of the MAICEI Program is to enhance the academic access, career development and social/emotional growth of its participants.

Criteria for admission:

<div class="item-list"><li class="first last">Age range: 18-21 </div>

Please indicate which disabilities students in this program have:

Intellectual disability

Autism

Instructions:

In the form below is the information that is currently listed on our website for your program. Please click on each green tab, look over all fields and change any information that needs to be updated. There is no need to save after completing each tab, but you **MUST** click Save at either the top or bottom of this form after going through and making any necessary changes. You can save at any time and you may save and leave and return later to make additional changes or add new information. Green check marks will appear in the tabs on the left when you have filled out all questions in a section. Please make every attempt to answer all questions--but if you can't, the form will still save and we will use the information you can provide to create your updated record.

Planned program length:

Varies from student to student
