

Marino Campus ^[1]

Marino Campus

The Dan Marino Foundation, Inc. | Marino Campus offers programming that prepares young adults for careers in the Computer Technology and Hospitality industries. Coursework readies students for certification exams regulated by the following nationally recognized organizations: Microsoft, CompTIA, and the American Hotel and Lodging Educational Institute (AHLEI) and allows students to build the necessary social and employability skills to become independent by obtaining meaningful employment. Over 70% of graduates have secured gainful employment, which is a direct result of the individualized programming offered at Marino Campus.

400 North Andrews Avenue
Fort Lauderdale, FL 33301
United States

Instructions:

In the form below is the information that is currently listed on our website for your program. Please click on each green tab, look over all fields and change any information that needs to be updated. There is no need to save after completing each tab, but you MUST click Save at either the top or bottom of this form after going through and making any necessary changes. You can save at any time and you may save and leave and return later to make additional changes or add new information. Green check marks will appear in the tabs on the left when you have filled out all questions in a section. Please make every attempt to answer all questions--but if you can't, the form will still save and we will use the information you can provide to create your updated record.
