

Elevate at ACC ^[1]

Arapahoe Community College

Elevate at ACC was established in 2016 to provide inclusive higher education for students with intellectual and developmental disabilities (IDD) to foster academic growth, prepare for gainful employment, develop needed skills for independent living, and engage socially with the broader campus community. The program provides students with a holistic higher education experience that is designed to be a progression of fully-inclusive academic courses, outcome-focused vocational preparation, student-centered personal development, and naturally-supported campus involvement. Elevate students are held to high standards and empowered to take responsibility for their future goals. Each student partners with an Elevate team member to collaboratively design an Individualized Academic Plan, which aligns with the student's identified career goal and also affords them the opportunity to grow personally, developing needed skills for future employment.

5900 S Santa Fe Drive
Littleton, CO 80120
United States

Program Contact:

Intellectual disability

Instructions:

In the form below is the information that is currently listed on our website for your program. Please click on each green tab, look over all fields and change any information that needs to be updated. There is no need to save after completing each tab, but you MUST click Save at either the top or bottom of this form after going through and making any necessary changes. You can save at any time and you may save and leave and return later to make additional changes or add new information. Green check marks will appear in the tabs on the left when you have filled out all questions in a section. Please make every attempt to answer all questions--but if you can't, the form will still save and we will use the information you can provide to create your updated record.
