VANDY COMMODORES OPENING DOORS FOR
NEXT STEP STUDENTS

Next Step at Vanderbilt Mentor Application

Ways That Ambassadors Serve:

Ambassadors are assisting the Next Step students in every facet of their 2-year college experience. Ambassadors help students in their academic classes, and in one-on-one or small group tutoring sessions on academic tasks. They are needed to help the Next Step students learn to use various types of technology from email to PowerPoint to on-line job searches, and using Flip cameras to document their experiences.

Ambassadors can expand the Next Step students' abilities to complete daily living tasks independently through regular activities on campus. Ambassadors also are needed as exercise workout partners and lunch dates. Finally, Ambassadors will help vastly enrich the Next Step students' social skills as they accompany them to social, sporting, entertainment, and student club/organization events.

Applicants selected as Next Step Ambassadors are expected to serve a minimum of 5-hours per week for one full semester, to complete the mandatory training, and to participate in minimal, online training discussions with the Program Director and the other Ambassadors.
