Think College Webinar on 10/8/19

## ***BRIEF OVERVIEW OF "Policy Tools You Can Use..." WEBINAR***

Liz & Rylin have the right combination of experience to speak on this topic, with the goal of informing attendees about what's going on in Washington, DC right now, and how to prepare yourself to impact change. Learn how to understand policy & legislative activity, how to advocate for yourself and your community, and more. Liz & Rylin will share their experiences and provide you with tools of your own to share your voice.

## ***3 TAKEAWAYS FROM THE DAY***

- Your local and national representatives are elected, so you have the right (and obligation) to tell them what you think, and educate them about disability issues.
- Make sure you and your friends are registered to vote.
- Advocacy is very important, and it can be fun!
